

TenHrs (Ten Hours)

Compliment the Online Education with Micro Learning (Quiz and Flashcards)

Want to learn skills, want to be prepared for tomorrow's market? Yet hate sitting for long hours in front of system – this is where TenHrs. Mobile app comes into play. App allows to reinforce concepts using the technique of Micro Learning and Gamification to enable learners with Quizzes and Flashcards on particular topic of choice. This way skills needed for tomorrow can be made easy and enjoyable for user. Ten Hours title is derived from the idea of picking up a skill within Ten Hours of stipulated time. Preferable within 4 weeks with 2 Hours per week and an additional 2 Hours for Interaction with Tutor on an Online forum.

Home Page: Entry Point to add courses of choice.

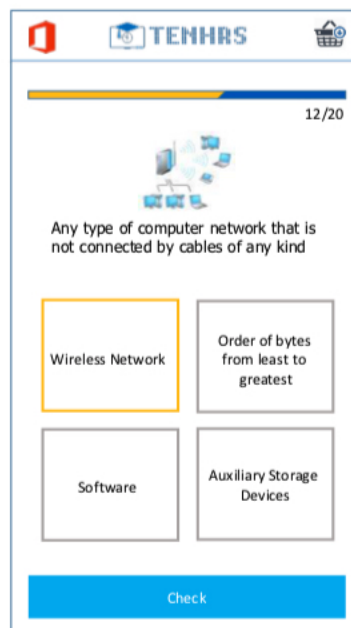

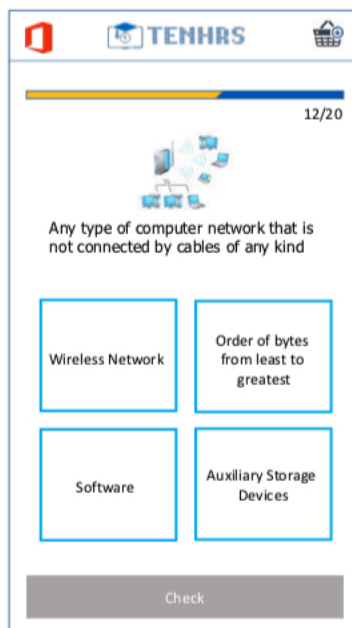

Adding Courses: Course selection

To compliment weekly training which is done online, users usually get Week 1 Flashcards and Quizzes for free and would need to upgrade the app to utilize it for future weeks.
